## CUBMASTER'S Column

Welcome back Pack 801 Scouts and families!

I hope you had a wonderful summer and are ready for another year of Cub Scouts. Tonight's focus is, "A Scout is Friendly." As you reconnect with friends and meet new friends, you are practicing the 4th point of the Scout Law. A Scout is a friend to all. A Scout offers friendship to people of all races and nations, and respects them even if their beliefs and customs are different from their own.

Hopefully, all of you invited at least one person to come to visit our Pack and some of you may have brought a friend with you today. Remember, the invitation to join Cub Scouts is always open to friends or others you meet that might like to join in on the fun of Scouting. Thank you for offering to share the fun of Cub Scouts to friends around you.

Your Cubmaster,

**Above:** Summer Camp was hoppin' this August at Camp Carlson near Sauk City! We had a great crew of eight scouts who participated in a variety of daily activities including, Nature, Archery, Arts & Crafts, BB Guns, and Slingshots. We were impressed with how the kids worked and played together so well. Go Purple Plumbers!
